## Head Teacher's Notice

Friday 12th July 2019

It's been another busy week at school... The Year 6 children received their SATs results this week; we are SO incredibly proud of all they have achieved, with **THE BEST RESULTS EVER** gained at St. Anne Line Catholic Junior School - Their hard work, dedication and great sense of humour have been an inspiration to the whole school. A MASSIVE WELL DONE, especially for achieving **100% in Maths!**

Reward's Day was held on Monday, and it was lovely to be able to recognise the children who follow the 'St. Anne Line Way' and all that it means to the school. On Tuesday, we had a fantastic Music Concert, thank you to all the parents who came to celebrate the school's musical talents. We also had an amazing SAL's Got Talent on Thursday - great fun was had by all.

The week ended with all the children graduating from their current year group. The children now look forward to meeting their new teacher on Monday, and starting work in their new year group.

Have a wonderful weekend, *Miss N. Watson*

Safeguarding at the Heart of Our School

# Dear Parents,

Over the last two weeks, the school office has been inundated with Leave of Absence requests to take children out of school during the last week of term in order to go on holiday. The school this year took action to enable families to take advantage of cheaper flights by breaking up earlier than the majority of schools in the district who actually break up for summer on Wednesday 24th July 2019.

The last week of school at St. Anne Line Catholic Junior School, is one of the most important weeks of the Academic Year, as the children move into their new school year group, and start working through the next year's curriculum - it is **not** spent watching DVDs, having parties and coloring (which has been suggested). We pride ourselves with providing the best education for your children, resulting in the incredible SATs results achieved this year. Whilst the school understands that holiday prices rise significantly during the summer break, every member of staff is expected, by parents, to fulfil their job responsibility - Would parents expect for teachers and other staff to go on holiday early?

Please think before you book the holiday; the learning time being missed by not attending the last week of school is 31 hours and 50 minutes, which will NEVER be revisited - resulting in your child being behind before they start school again in September.

Thank you for your continued support with this matter.

Yours faithfully,

Miss N. Watson - Head Teacher.
